# Milford ATC/CTE Programs of Study

		<b>ACCOUNTING</b>
 		<b>HEALTH SCIENCE OCCUPATIONS</b>
	 	<b>VIDEO PRODUCTION</b>
		<b>COMPUTER SCIENCE</b>
 <i>Articulation</i>		<b>CONSTRUCTION</b>
		<b>CULINARY ARTS</b>
		<b>GRAPHIC ARTS</b>
 <i>Articulation</i>		<b>MARKETING</b>
		<b>MACHINING &amp; WELDING</b>
		<b>PRE-ENGINEERING</b>

# Milford ATC Accomplishments

---

- **Middle School Outreach**
  - CTE After School Program
    - 180 students/year
- **Career Center**
  - Donated furniture from Bangor Savings Bank
- **Increased Homeschool/Private School enrollment**
- **Transportation Grant**
  - 2 CTE Buses
- **Senior Recognition Ceremony**
  - 116 Senior Completers (172 total seniors in class of 2025) 67% of seniors completed a CTE program
  - 141 Certifications earned
  - Over 700 hours of WBL
  - Saved \$72,000 in college tuition

# Current Status of the ATC

## ATC ENROLLMENT 2025-2026

Program	25-26	OOD	
<b>Business Pathways</b>	154	1	<i>*semester classes</i>

# CTE PROGRAM NEEDS

- Need to renovate to meet industry standards
- Equipment and space needs
  - Machining
  - Video Production
  - Graphic Design
  - Culinary
- Not meeting current student interest and workforce needs
  - Electrical
  - Power Sports
  - Expanding Welding in Precision Machinery
- Need more flexibility in space to accommodate current and future needs

# PRECISION MACHINING

# THE GRINDERS

# METAL LATHES

# Milling Machines and Drills

# Carpentry/Woodworking

# Computer Science

# CULINARY ARTS

# CULINARY ARTS

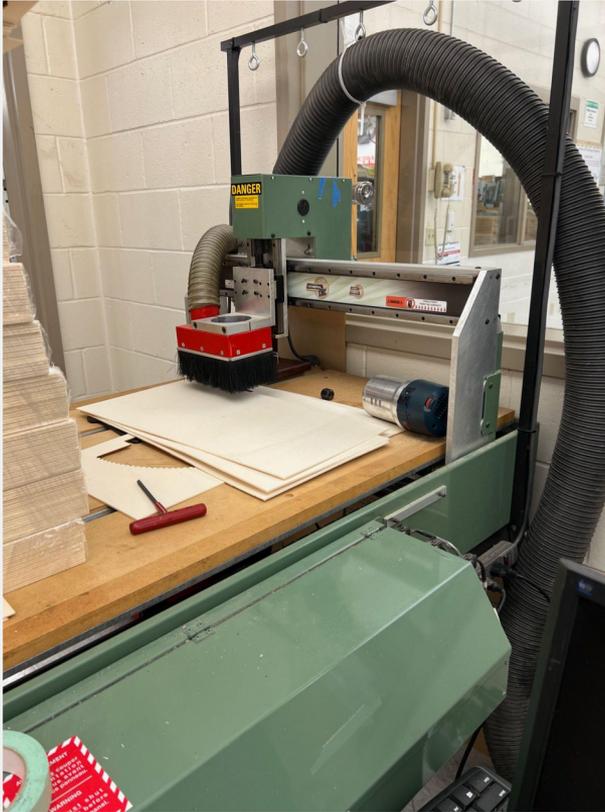

# WINDOWS ON WEST STREET

# Graphic Arts

# Engineering Design

# MHS/ATC Renovation Plan

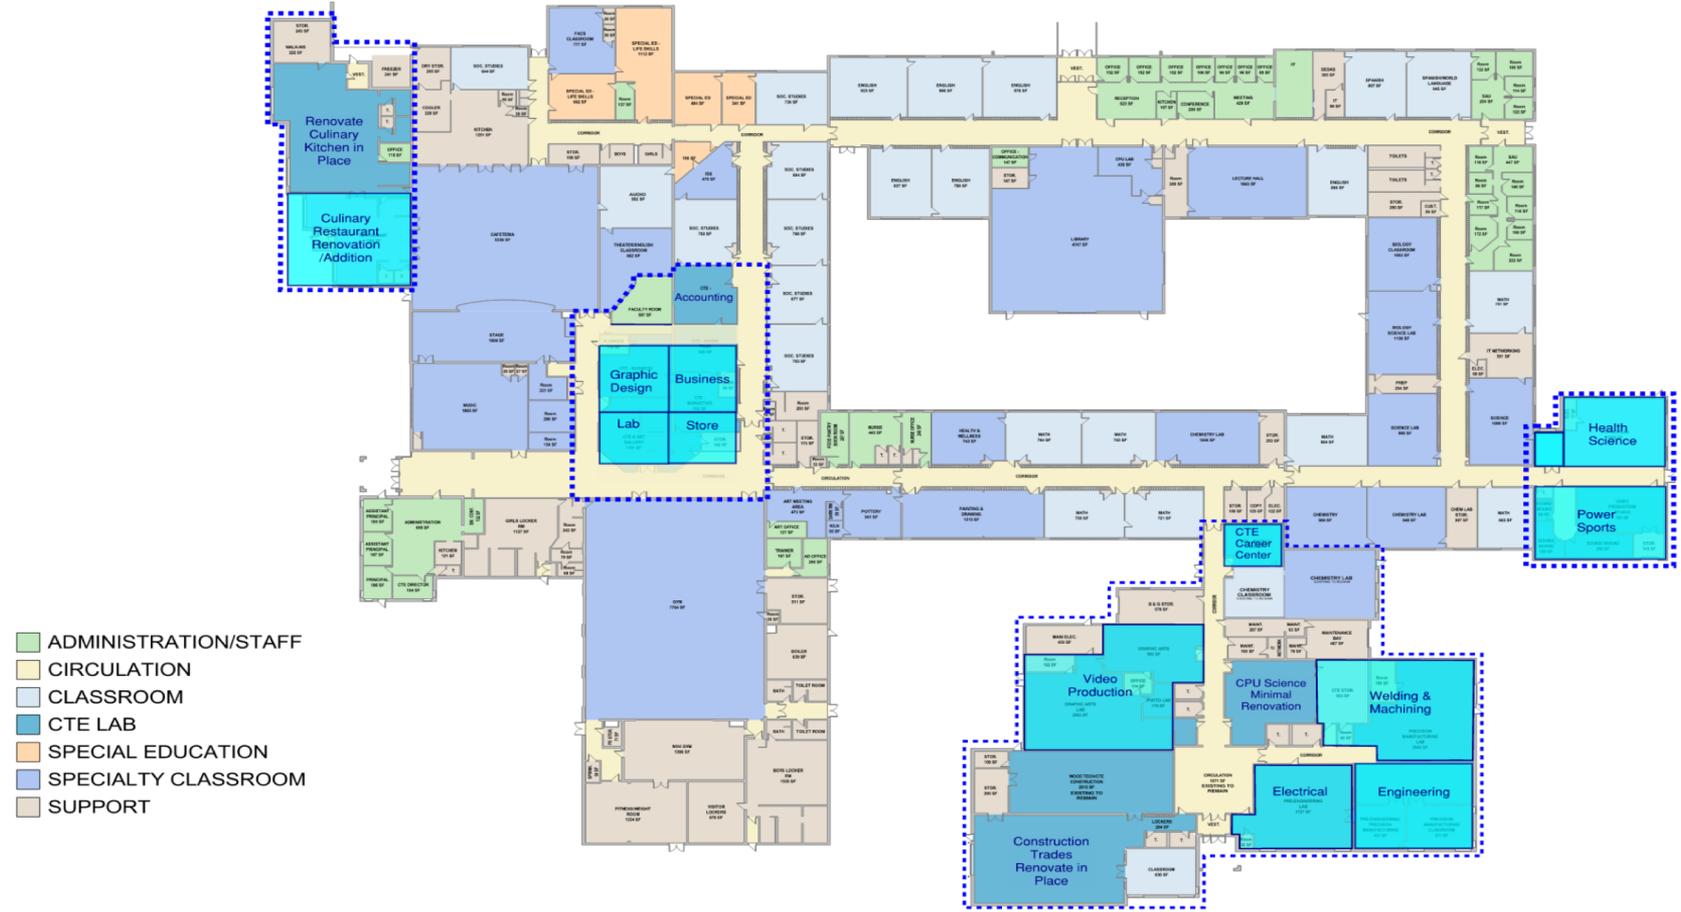

# Next Steps

---

- School Board moved forward with new focus/scope to place warrant article on March 2026 ballot.
- Need 60% approval to pass.
- Vote March 10th

# POTENTIAL SCOPE

# POTENTIAL SCOPE

Renovate/ Add for a larger Culinary Restaurant

Renovate for Business, Accounting, and Graphic Design

Create Career Center

Renovate for Computer Science

Renovate for a larger Video Production Area

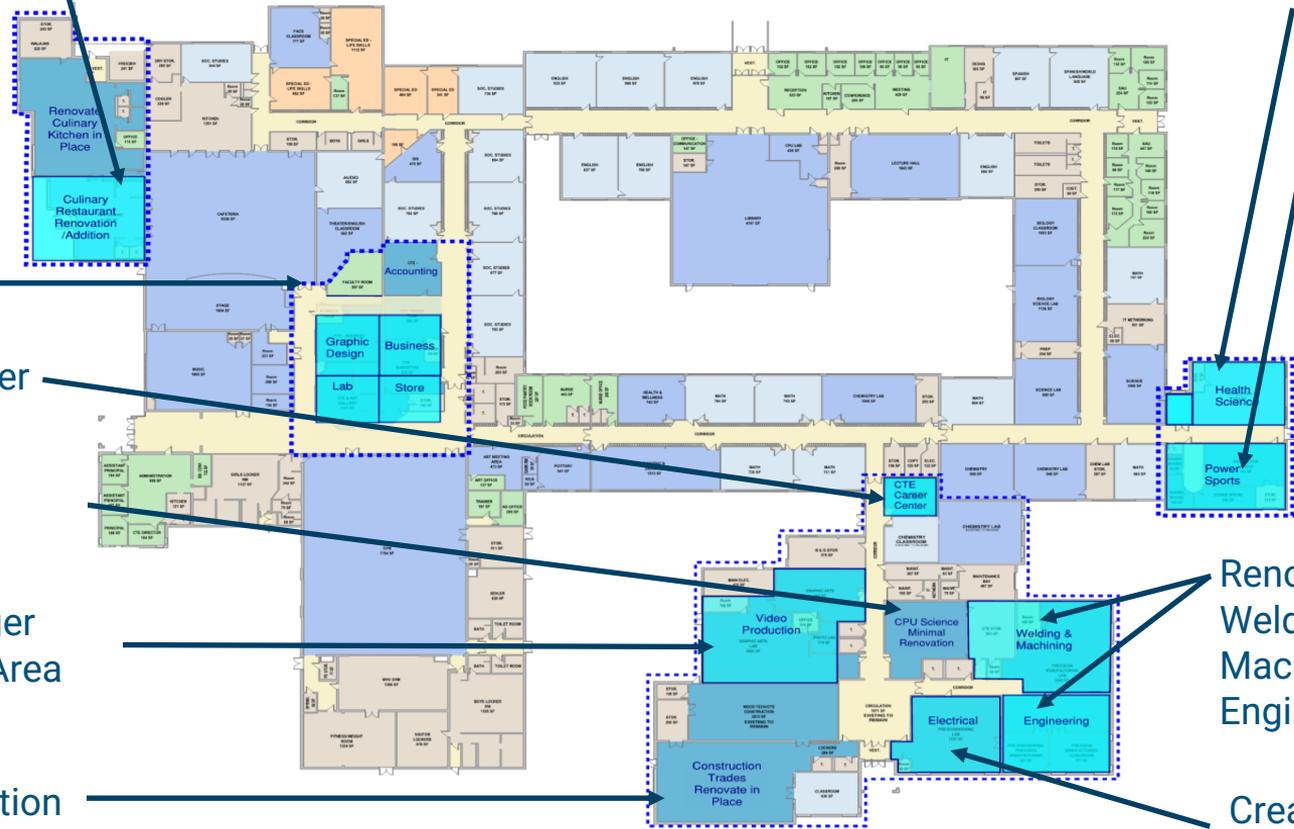

Renovate Construction Trades in place

Renovate for Health Science

Create Power Sports Program

Renovate to Expand Welding & Modernize Machining & Engineering

Create Electrical Program

74%

26%

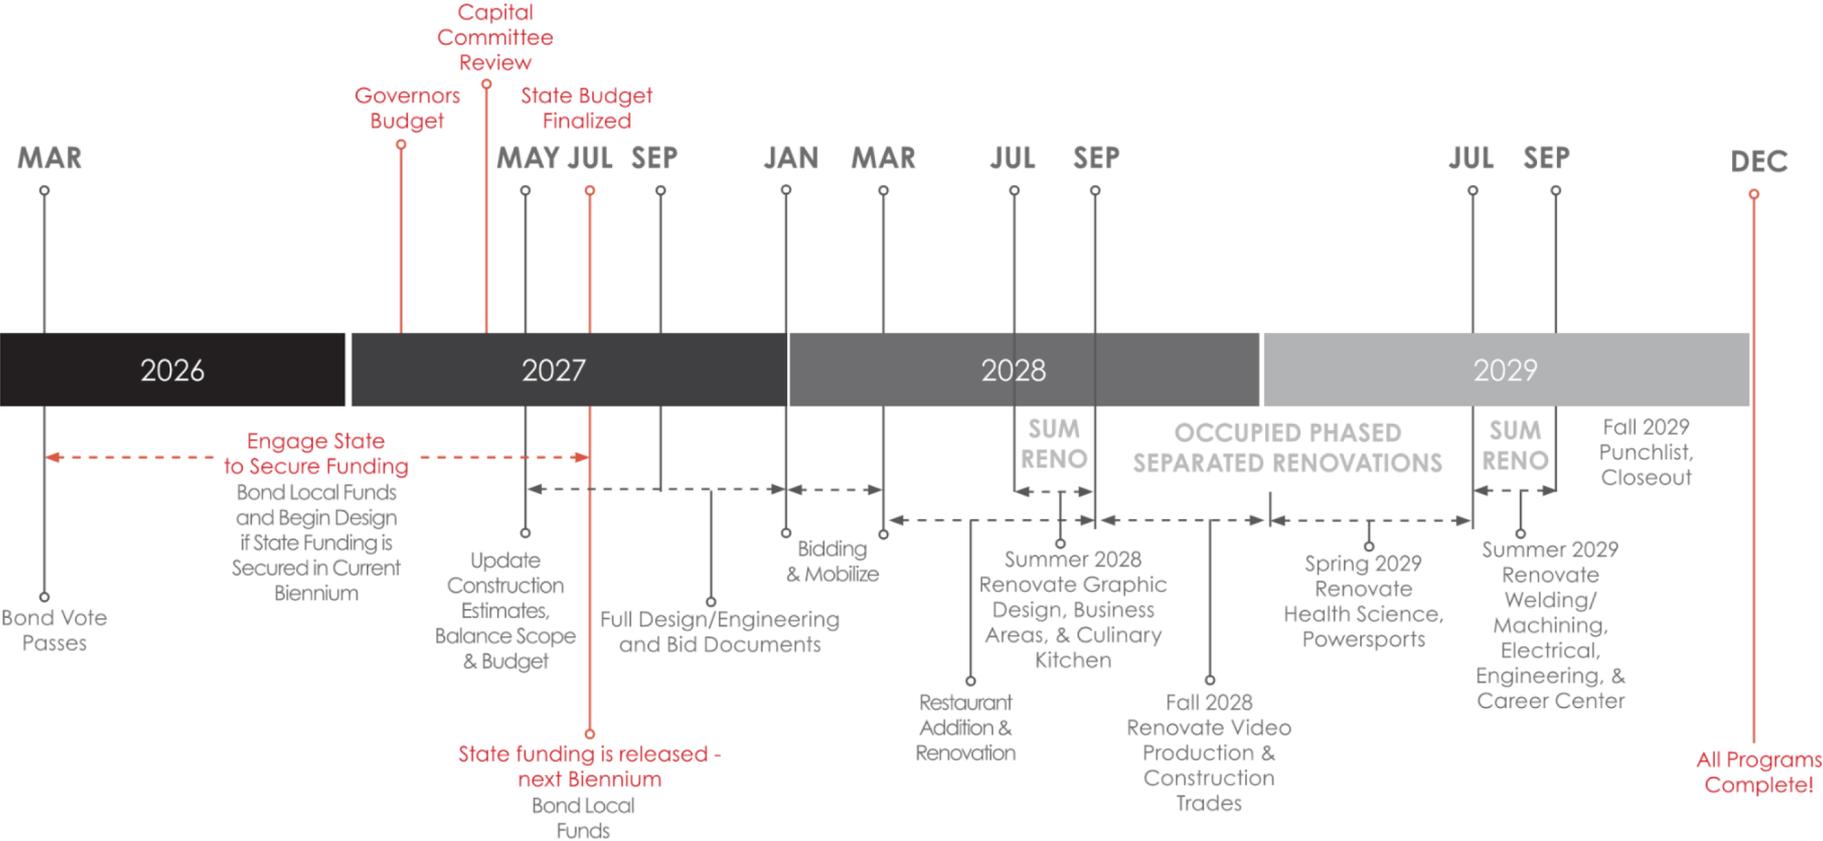

PROJECT TO ONLY PROCEED WHEN STATE FUNDING IS AVAILABLE

# New programs to come...

---

- Automated Manufacturing Technology
  - Combining Computer Science and Engineering
- Electrical
- Powersports
- Expand Welding

# Potential Schedule

# What is CTE?
